PACKAGE A

Maximum of 60 people with a minimum spend of \$1650

The function will take place outside trading hours (i.e., 12pm-4pm).

The function package includes a maximum of 60 people (email or call the restaurant if numbers are outside of this), with a minimum spend of \$1650 (deposit of \$500 at least two weeks beforehand).

The package offers any selection of items from the menu in a variety of course deliveries that will be scattered across tables to share amongst patrons, i.e., pizza as entrees and pastas as a main. Items are asked to be pre-selected at least a week out before the function so that staff may adequately prepare.

Courses may be as follows:

- Mains only (minimum spend reduced to \$1500)
- Entree and main
- Main and dessert
- Entree, Main, and Dessert (incl. cake brought by client).
 - Raises minimum spend to \$1700.

Examples may include:

- With three tables of 15 (45 people),
 - A selection of four pastas and selection of four pizzas to be allocated to each table, followed by cake brought forward by the client = 24 dishes + cake.
 - A selection of three entrees brought to each table, followed by mains (4 pizza, 5 pasta selections), and desserts (three dessert pizzas) = total of 45 dishes.

PACKAGE B

Maximum of 60 people and minimum spend of \$2200

The function will take place outside trading hours (i.e., 12pm-4pm).

Patrons will be served individually once seated by wait staff. This package is flexible as the host may ask to preselect entrees for patrons, and during this time wait staff will receive individual meals that will be prepared while patrons are eating.

A deposit of \$500 is required at least two weeks before the function date as well as any dietary requirements to be notified and your course selection e.g., to be served individually only, or pre-select entrees for function followed by individual mains.
